

From Melvin H. Dunn, Director, St.
John's Episcopal Hospital, Brooklyn,
N. Y., dated 4-28-53

NO. 1172
RECD. 4-29-53

REFERRED TO

Dr. Burrill

~~Mr. Belden~~

~~Miss Fitton~~

RE: As former resident of Missouri
wd. like to propose for BGN consideration
the changing of the name of The
Missouri River to Mid-West River. This
river flows ^{geographically} thru the Mid-West states
and the name Missouri river is a
reminder of the floods..
